

STATE MAY GET \$520 LEFT OVER FROM "DREAM"

The \$520.52 that remains of an abandoned dream to conduct a hospital at Hunterstown may go to the state.

February 3 at 10 a.m. was set by the Adams County court today as the time for a hearing on a petition from Pennsylvania Attorney General Thomas D. McBride that the amount, in the hands of the county prothonotary since about 1949, be turned over to the state under the escheat laws.

Since 1949 the prothonotary's office has been seeking to contact the person listed as the rightful owner of the amount, a Mrs. Elizabeth J. Beattie, whose address was 134 S. 46th St., Philadelphia. The prothonotary got back his registered letters, marked "no one by that name." Also in the files are reports from the register of wills at Philadelphia, showing no estate for Mrs. Beattie on the records.

The money came into the prothonotary's hands after the sheriff's sale of the land owned, at that time, by estates of Frances and Lenora Goldsborough. They were among 11 children of Dr. Charles Goldsborough, of Hunterstown, who died in 1918.

Miss Edna Elcholtz, deputy prothonotary, whose long service at the courthouse made her one of the few who recalled details of the events of ten years ago on which the state's petition was based, today recalled that the Goldsborough "girls" had at one time planned a hospital, with their father, in the Hunterstown area.

The hospital, she recalled, was built and then the plan abandoned. The Goldsborough children scattered through the eastern U.S.

Taxes Taken Out

Frances Goldsborough died in 1942 in New York and Lenora died in 1945 at Philadelphia. They were the two listed in the original petition for a sheriff's sale brought by the various taxing authorities in 1948 after no taxes had been paid on a five-acre property in Straban Twp. for many years.

Mrs. Beattie came into the picture as the result of a \$1,200 mortgage on the property. The mortgage had originally been held by a John W. Myers. Later it was transferred to the missing Mrs. Beattie.

When the land was sold for \$1,000, costs of the sheriff and others brought the amount for distribution down to \$718.40 of which \$197.98 went to the county, school board and supervisors of Straban Twp. The remaining \$520.52 was to go to Mrs. Beattie as the mortgage holder.

Since then the prothonotary has been unable to find Mrs. Beattie or anyone who knows her whereabouts.

200 PERSONS AT ALUMNI DANCE

"Snowman's Paradise" was the theme of the annual Gettysburg High School students and alumni Christmas dance held in the high school cafeteria Thursday evening from 8:30 o'clock to midnight. The Melotones provided the music for 200 people in a gaily decorated setting which featured a large lighted tree.

Carl Westerdahl was master of ceremonies for the entertainment which included Mary Lou Kranias in a typewriter routine; Jackie Smith directed Linda McCahey, Jean Sharrar, Bonnie Smith, Sally and Debbie McCullough and Kay Smith in a modern jazz dance routine to "Happiest Street."

Ronald Ditzler sang an original arrangement with lyrics by Sidney Weikert called "Time Goes On"; a quartet, Sidney Steinhour, Sidney Weikert, Ronald Ditzler and Joel Reaser, sang "One God" and "Down By The River Side." Ann Jordan was the accompanist.

Mrs. Arlene Shealer, Doris Deaner and Barbara Aughinbaugh sang "Winter Wonderland," "Prosty The Snowman" and "He." They were accompanied by Edward Nowicki. Robert Weikert did a monologue called "What It Was, Was Football."

Cookies and punch were served.

Expect Eisenhowers Here About 4 O'clock

President and Mrs. Eisenhower are expected to arrive at their farm near here around 4 o'clock this afternoon for an extended stay. The departure from the White House was announced at 2 o'clock.

Reporters and photographers comprising the White House corps which travels with the President started arriving in Gettysburg shortly after noon.

President and Mrs. Eisenhower are expected to remain here until after New Year's.

EMPLOYEES GET SERVICE AWARDS AT HOTEL PARTY

Five members were honored at the annual Christmas party tendered the staff of Hotel Gettysburg.

An award for ten years service was presented Walter J. Kaseberg, associate chef of the hotel, while awards for 15 years continuous service were presented to Mrs. M. S. Kleinfelter, secretary to the manager; Mrs. Dorothy Hartzell, Mrs. Joel Musselman and Mrs. Katherine Moser, of the food department.

The awards were presented by Henry M. Scharf, manager of the hotel, who expressed appreciation "for loyal and interested service."

60 Attend Party

The nearly 60 members of the hotel staff were given turkeys, personal gifts and Christmas checks. Ray Staley, head barman, entertained the group in the role of Santa Claus and distributed gifts.

The party was planned and directed by Mrs. Kleinfelter. Max Kipter, Allan Sprinkle, William Van Stigt, Ray Staley and Mrs. Margaret Toomey.

Commenting that Hotel Gettysburg has "ever increasing responsibilities to the community," Mr. Scharf complimented the entire staff on its performance.

"Every hotel has a clear duty and a definite responsibility to the community it serves and it is gratifying to note your determination that Hotel Gettysburg always does its utmost in this respect," he said.

County Worker Is Given Award

Eugene C. Phiel, New Oxford R. 2, has been honored by the Army for his work as an inspector.

Phiel, a civilian U. S. Army Ordnance Corps inspector for the Philadelphia Ordnance District at the A. B. Farquhar Division of Oliver Corporation at York, has been presented a "sustained superior performance award," one of the Department of the Army's top awards to civilians.

The certificate of award and a check for \$200 was presented to Phiel by Major George Williams Jr., chief of the Philadelphia Ordnance District Inspection Department.

Phiel's award was outlined in a letter from Col. Henry C. Thayer, commanding officer of the district, who cited him for outstanding accomplishments in the field of inspection and for "resourcefulness" in designing new forms, charts and records "resulting in substantial savings to the government."

Continue Probe Of Garage Burglary

State police today continued their investigation of the burglary Christmas evening at the Ralph A. White Garage, 15 N. Queen St., Littlestown.

Fingerprints were sought. The officers said the exact amount of cash taken from the safe at the White Garage by the burglar or burglars was still unknown, pending a final check by Mr. White on the sums that possibly were in the safe.

The burglars gained entry by breaking a rear window at the establishment.

SR. EXTENSION CLUB PLANS FOR MANY EVENTS

The Adams County Senior Extension Club completed plans for a number of activities and then held its annual Christmas party at a meeting-party Thursday night at Trinity United Church of Christ, S. Stratton St.

President Carl Kessel announced plans for a New Year's Eve party to be held by the group at the York Springs fire hall starting at 9 o'clock next Tuesday night.

January 4 was announced as the date for the interclub bowling match at Hagerman's in Hampton, starting at 7 p.m.

Further plans were announced for participation by the club in the square dance competition to be held at the Pennsylvania Farm Show at Harrisburg Tuesday, January 14.

List Many Dates

David Sibert announced plans for sponsorship of a public square dance with Fred Crouse as caller. Plans were also discussed for holding a public 500 card party. Ralph Spence, George Noel and Carroll "Spark" Spence were named as a committee to investigate the possibility of holding the card party.

It was announced that the Adams County club will bowl the Franklin County Senior Extension Club in a match at the Nellie Fox bowling alley January 18 at 7:30 p.m.

An invitation from the Cumberland County 4-H County Council to a square dance at Newville tonight was read.

March 28, 29 and 30 were announced as the dates for the annual Tri-State Conference to be held in the Poconos. The county club agreed to send five delegates to the conference.

Plans were discussed for a basketball game with the St. James Lutheran team January 9 at 7 p.m. at the old gymnasium in Gettysburg High School.

March 18 was announced as the date for the annual spring banquet. Susan Behney and Merle Bowers were awarded door prizes at the Christmas party following the meeting.

H. S. GRADS MAY APPLY

T/Sgt. James Funkh, local Air Force recruiter, announced today that high school graduates are now eligible to apply for aviation cadet training which includes navigator and pilot courses. Sgt. Funkh will be at 48 York St. from 9 a.m. to 12 noon daily. He may be reached by calling Gettysburg 1549. Qualifications of applicants include: Age, 19 to 26½; single and in good physical condition.

Red Lion Hunters Appearing Today

Eight hunters from Red Lion were appearing before U.S. Commissioner J. Francis Yake Jr. this afternoon at 1:30 o'clock on charges of hunting on the battlefield. The young men were arrested December 14. Because some of the young men are under 18, it was not immediately known how many would be actually charged before the commissioner and how many would be scheduled for appearances before juvenile authorities.

DRIVER INJURED

John M. Leese, 17, Hanover R. 4, suffered cuts and bruises of the face and head when his automobile crashed into the car of Cyril J. Hockensmith, Hanover, parked in McSherrystown at 11:15 p.m. Tuesday. He was treated by a Hanover physician. McSherrystown Chief of Police Mannard Masemer estimated damage to the Hockensmith car at \$1,290 and to the Leese vehicle at \$400.

Heart Of Small Coal Town Destroyed By Fire Today

SPRINGHILL, N.S. (P) — A windwhipped fire cut the heart out of this Nova Scotia coal town's business section early today, but Mayor Ralph Gilroy said: "We'll carry on if only half the main street is left."

He said Springhill, which lost 39 men in a mine disaster last year, will ask for government aid immediately. "We'll never say die," he said.

Gilroy repeated the gloomy forecast he made at the height of the fire that most of the town's business houses would never be built up again.

He estimated the loss at a minimum of a million dollars and said 20 per cent of the town's tax revenue came from the burned out businesses.

"I'm the 13th mayor of this town," he added, "and everything's happened now that can."

The 7,000 people of Springhill had never fully recovered from a 1956 mine explosion that took 39 lives. The colliery where the explosion occurred has been sealed up and the other coal pit has produced only occasionally. A government grant was the only means of averting a threatened layoff several months ago.

The two-block fire burned out 15 businesses and five apartment houses on both sides of main street. It is believed to have started in a variety store and then fed on paint in a neighboring store, roaring unchecked for 3 hours and 15 minutes.

The only casualty was believed to be an elderly man who suffered a heart attack while being evacuated from a hotel.

Returns To Civilian Life

Lt. David Steeves, Air Force pilot shown with his wife, Rita, after his return from the "dead" last summer, has been returned to civilian life. The Air Force said in Washington Thursday. Steeves, who will remain in the Reserve, turned up 54 days after he disappeared on a jet training flight over California's High Sierra last spring. He now lives with a brother at Trumbull, Conn. RECONCILIATION IS "OUT" SAYS MRS. STEEVES

BRIDGEPORT, Conn. (P) — Rita Steeves said today there is no hope of a reconciliation between her and David A. Steeves, the Air Force lieutenant whose account of surviving for 54 days in rugged California mountains after a plane crash created a nationwide stir.

Lt. Steeves has been separated from the Air Force at his own request.

His 21-year-old wife, interviewed today at the University of Bridgeport where she works in the payroll department, said her decision to remain separate from her husband was made primarily for the sake of their daughter, Leisa, who is nearly 2.

No Comment On Divorce

Children cannot grow up normally when there is no love between the parents, Mrs. Steeves said.

She refused to make any direct comment when asked if she plans to sue for divorce.

A few weeks after Steeves emerged from the mountains where he had been given up for dead last summer, Mrs. Steeves announced that she had consulted a lawyer about a divorce, but no suit ever was filed.

More recently Steeves announced that he and his wife had become reconciled.

He declined to comment yesterday either about his marital status or his future plans. He is living with a brother in Trumbull, a Bridgeport suburb.

TO GIVE RECITAL SUNDAY ON NEW CHURCH ORGAN

The public is invited to the organ recital to be presented in Zion United Church of Christ, Arendtsville, Sunday evening at 7:30 o'clock.

The recital will be given by G. David Bushman, organist at Trinity Lutheran Church, Arendtsville.

He will be assisted by the Rev. Dr. John B. Frantz, baritone and pastor of Trinity United Church of Christ, Pottstown, Pa., since 1943. The Rev. Mr. Frantz graduated from Franklin and Marshall College and the Divinity School of Yale University and was a voice student at the Peabody Conservatory of Music, Baltimore. While in college he was a member of the College Glee Club and the baritone soloist in his Senior year.

At Yale Divinity School he was a member of the Chapel Octette and the Chapel Choir. During his pastorate in Baltimore, he studied at the Peabody Conservatory of Music and sang in the Peabody Chorus and the Baltimore and Ohio Railroad Glee Club. Once a year he sings his sermon to his congregation in Pottstown. A theme and text are selected and developed through a running commentary between the sacred selections which he sings. By request he presents similar musical programs or a sermon in song in churches or church groups.

Music His Avocation

"The ministry is my vocation. Music is my avocation or hobby," the Rev. Mr. Frantz has stated. "I enjoy singing and believe I can share a talent in this manner as I use this method of preaching the Word."

In June of this year, Franklin and Marshall College, Lancaster, conferred the honorary degree of Doctor of Divinity upon the Rev. Mr. Frantz, and the Temple University School of Theology, Philadelphia, granted a Master of Sacred Theology degree.

At the service in Zion United Church of Christ Sunday evening, Dr. Frantz will sing "The Lord Is My Light" (Psalm 28), Allinson; "The Lord Is My Shepherd" (Psalm 23), Van de Water; "The Stranger of Galilee," Morris, and Malotte's arrangement of "The Lord's Prayer." He will be accompanied on the organ by G. David Bushman, guest organist.

Reds Can Hold Office In Union

DETROIT (P) — The United Auto Workers Public Review Board, making its first major decision, held yesterday that former Communists can hold union offices.

The board ruled there is no union provision barring former Communists from UAW offices in upholding the findings of lower union tribunals in cases involving 10 unionists who appeared before the Senate Internal Security subcommittee.

Five of the unionists, all officials of Detroit area UAW locals, invoked the protection of the fifth Amendment to the Constitution when questioned by Senate investigators about the Communist party. The five others, UAW international representatives assigned to Chicago, admitted former membership in the Communist party in testimony before the Senate subcommittee. Two refused subcommittee demands to reveal the names of former associates in the party.

ASK 11 PINTS OF BLOOD FOR HOPKINS BANK

Mrs. Claude H. Simpson, wife of a motel operator on Lincolnway East, today asked the Adams County Red Cross Chapter to appeal for blood donors to go to the Johns Hopkins Hospital in Baltimore to give 11 pints of blood to replace blood given Mr. Simpson from the hospital blood bank while he was a patient there recently.

Mr. Simpson now is a patient in a New York hospital and Mrs. Simpson is there with him.

Mrs. Peggy P. Hill, executive secretary of the Red Cross here, said the Johns Hopkins blood bank told her this morning by telephone that arrangements can be made for Red Cross donors to give blood there at any time. Donors should notify the Red Cross here and arrangements will be made by Mrs. Hill for them to make the Baltimore trip together.

Must Go To Baltimore

Mrs. Hill said that individuals who wish to give blood for Mr. Simpson also may go directly to the Johns Hopkins Hospital between 1 and 9 p.m. Monday through Friday and identify their blood gift as a replacement on the Simpson account.

Any type of blood is acceptable, Mrs. Hill said.

The Johns Hopkins blood bank also told Mrs. Hill today that only "walk-in" blood is acceptable there. Donations made in any other hospital will not be acceptable, they said.

Big "Rec" Dance Here Next Monday

Gettysburg Recreation Association will hold its "biggest dance of the year" Monday night from 7 to 11 o'clock at Gettysburg High School, Recreation Director John Toggas has announced.

The dance for junior and senior high school students, will begin at 7 o'clock with juke box music in the cafeteria at the high school, and from about 8 o'clock to 11 the dancing music will be provided by Bud Codori's Quintet. Invitations to attend the free dance have been sent to high school students generally throughout the area, Littlestown York Springs, Biglerville, Fairfield, New Oxford, Gettysburg, East Berlin and Delone, Toggas said.

CHEST DRIVE NOW ONLY \$923 SHORT OF GOAL

1957 may mark the first time the Gettysburg Community Chest has achieved its goal in several years, according to a report today by Gordon J. Webster, finance drive chairman.

So far \$21,077 has been received by Community Chest, \$923 short of its quota of \$22,000.

Webster said that a number of solicitors have not completed their visits to homes in the area and that he has hopes "when the Christmas season is over the men and women will have time to make the final canvass. If it is completed we should have the \$923 needed to reach our \$22,000 goal."

The drive, most successful in recent years, began last October and during the first several weeks brought in approximately \$19,000.

Await 20 Reports

Since then "each week or so some solicitor has brought in additional funds, and the total has been creeping toward the goal, getting steadily closer," Webster said.

He added that about 20 canvassers still have not completed their solicitation and added "if they can find time to do it, and if the people they visit donate in proportion to others, we should be able to reach our goal."

Community Chest supports the Gettysburg Recreation Association, the YWCA, Girl Scouts, Boy Scouts, Civic Nurse, and library. The money raised in the current drive will go for support of the organizations in 1958 in payments based upon the budget allotted them at the beginning of the drive.

SOVIETS OFFER ECONOMIC AID TO CONFEREES

By ANTOINE YARED
CAIRO (P)—The Soviet Union was reported today offering large-scale economic assistance to all nations taking part in the African-Asian conference here.

The nongovernmental conference, with 400 delegates from 38 nations and colonies, opened yesterday. The leading speakers lambasted what they called Western imperialism and echoed nearly all the standard Communist propaganda slogans.

Informed sources said the Soviet offer of aid was contained in a Soviet economic report to be submitted later today.

"As Brothers"

"We are prepared to help you as brother helps brother, without motives," the sources quoted the report as saying.

"Tell us what you need and we will help you and send, according to our economic possibilities, money needed in the form of loans or aid."

The report was said to claim that Russia had the potential to "build for you institutions for industry, education and hospitals."

Offer Economists

"We can send economists to you or you can send economists to our country . . ." the report continued. "We do not want any privileges for ourselves. We do not ask you to join any blocs or change governments or change internal or foreign policies. . . . Our only condition is that there be no strings attached."

CRASH VICTIM IS "CRITICAL"

Mrs. Ruth Spangler, Hagerstown, who suffered a fractured skull in an auto accident Christmas night, near Littlestown, in which Lloyd E. Eller, 51, Littlestown R. 1, was fatally injured, was reported still in a critical condition today at the Hanover hospital.

Eller was the operator of a car which smashed almost head-on, according to state police, into a car operated by Mrs. Spangler's husband, John M. Spangler, 47, also of Hagerstown.

Of the eight people in the two cars, one was fatally hurt and the other seven hospitalized.

The six members of the Spangler family are all at the Hanover Hospital, the hospital reported at noon today. Mrs. Spangler suffered chest injuries and cuts of the face and both legs. Of their four children, Rebecca, 10, lost her front teeth; Judy, 9, had internal injuries; John, 4, had a broken left leg and Sarah, 2, had head injuries.

Robert W. Yingling, 26, Littlestown R. 1, owner of the car Eller was reported driving, suffered cuts and bruises of the body and a dislocation of the right hip.

TEACHERS SEEK LARGER VOICE IN FUTURE PLAN

By RICHARD L. GRAVES
HARRISBURG (P)—Pennsylvania school teachers went into the second day of their annual year-end meeting today, determined to walk hand-in-hand with school administrators across the threshold of a new era in the state's educational system.

With a series of recommendations on their income and work load awaiting action, the teachers gave primary attention at the opening session yesterday of the Pennsylvania State Education Assn.'s 105th annual convention to gaining a larger voice in the future of Pennsylvania education.

A resolution was drawn up urging "proportional representation of classroom teachers on all education committee or commissions" appointed by Gov. Leader.

Cite Leader's Group
Prominently mentioned was the 100-member group which the governor has invited here Jan. 28-29 to discuss the state's educational problems and recommended changes needed to meet the technological challenge of Russian advances in science.

Francis J. Dolan, Lansford High School teacher who spearheaded the movement to ask for a greater voice for school teachers, said he understands there are only two classroom teachers among those invited to the meeting. As many as 50 was suggested as the teachers' representation at the meeting.

The 900 members attending the convention will vote on the resolution later.

Nominate President
In other action yesterday, Harold J. Koch, a Hazleton social studies teacher, was nominated without opposition to succeed Kermit M. Stover of Dauphin County as president of the association. Election of officers and committees will be held later today.

The teachers will hear from Gov. Leader personally tonight.

At a special conference yesterday, Dr. Maurice E. Trusall, director of the State Bureau of Curricular Development, declared that the problem of what to teach Pennsylvania youngsters has relegated even the problem of building schools to second place in view of the spectacular dividends of the Russians' emphasis on science instruction to their young.

PUBLIC HEALTH SERVICE SHOWS LESS SICKNESS

WASHINGTON (P)—The Public Health Service reported today that new cases of acute upper respiratory diseases which involved one or more days in bed dropped to an estimated 3,045,000 during the week ended Nov. 30. That total was the lowest for any week since Sept. 14, when there were an estimated 2,279,000 new cases. It compared with 5,319,000 estimated for the week ended Nov. 23.

The weekly total has dropped consistently since Asian flu apparently reached a peak about mid-October.

2,793,000 In Bed
The highest weekly total for bed cases of acute respiratory diseases, which include influenza, pneumonia, acute bronchitis and other upper respiratory infections, was 11,933,000 during the week ended Oct. 19.

The weekly estimates are based on samplings made by the U.S. National Health Survey.

They show an average of 2,793,000 persons in bed each day because of upper respiratory diseases in the week ended Nov. 30, compared with 2,875,000 in the preceding week.

Give Explanations
The proportion of cases that kept persons in bed three days or more was about 58 per cent in the four weeks from Oct. 27 to Nov. 23, which was about the same as for the preceding four weeks but much higher than the 45 per cent proportion earlier in September.

"This change does not necessarily suggest any increase in the severity of the cases of Asian influenza which are included," the report said. "It can be explained equally well by a shift which undoubtedly took place between September and October toward a larger proportion of influenza cases in the total."

OFFER EMERGENCY LOANS

Denies Plotting Against Nasser

BEIRUT, Lebanon (P)—A former Egyptian interior minister denied today charges by President Nasser of Egypt that he plotted to depose Nasser.

Ahmed Mortada el Maraghi, who now lives in Beirut, made the denial in a statement to the press. He challenged Nasser to produce proof.

In a speech Monday at Port Said, Nasser said that Maraghi and Hussein Khairy hatched a plot in Beirut and paid a \$500,000 bribe to an Egyptian officer "to get rid of our government and install a government from the imperialist agents."

The issue of 100 million stamps commemorates the Flushing Remonstrance of 1657—a demand for religious freedom for all.

Three hundred years ago today, a group of Flushing residents drew up the remonstrance in defiance of Gov. Peter Stuyvesant. It was directed at the governor's ban on Quakers.

Signed Remonstrance
The majority of Flushing freeholders, not themselves Quakers, signed the remonstrance. It demanded that the government extend to all others the liberties enjoyed by themselves.

Summerfield said a number of the signers suffered severely in the ensuing 15 years, but were willing to endure persecution, prison and loss of worldly goods rather than relinquish their beliefs.

The stamps will go on sale generally in the nation's 38,000 post offices tomorrow.

HOME ON LEAVE; MARINE IS SLAIN
LANCASTER, Pa. (P)—A 23-year-old Marine home on Christmas leave was stabbed to death today by another young man after a highway argument.

Killed was Sgt. Paul H. McLain, Lancaster, whose father is a foreman in the Lancaster Post Office.

State policeman Robert Plummer said Benjamin C. Harnish of New Holland R. 1, Pa., admitted stabbing McLain with a knife used to cut baled hay at a stable where he is employed.

Harnish was held for further investigation and to determine what charges would be brought against him, Plummer said.

The state trooper said the argument started on a lonely stretch of road in the Welsh Mountain section of Lancaster County after some "horsing around" involving the car operated by the young Marine and another driven by Donald Martin, 17, Lancaster R. 4.

LANCASTER LIVESTOCK
LANCASTER, Pa. (P)—Cattle 2-395, choice slaughter steers 24.50-26.50, stockers and feeders 24.00-24.50. Calves 501, good and choice 25.00-31.50, prime 31.50-34.00. Hogs 30.00, bulk of sales 21.00-21.50. Sheep 19.00, good and choice lambs 21.50-24.00.

WASHINGTON (P)—Senate rackeers indicted today that alleged gangster infiltration of some Pennsylvania labor unions will be the subject of one of their big 1958 investigations.

Source attached to the special investigating committee said they expect the committee will meet in early January and set at least tentative dates for the hearings. There was no comment from Chairman McClellan (D-Ark). Robert F. Kennedy, chief counsel, was out of the city.

The inquiry would be in part a sequel to the Nov. 14 New York state police raid on a mysterious meeting at Apalachin, N.Y., which brought together more than two score hoodlums from cities extending coast to coast and some business men of good reputation.

Oklahoma University will meet Syracuse on the gridiron for the first time in 1962.

WANT WEST TO ACCEPT SOVIET ARMS TALK PLAN

MOSCOW (AP) — Pravda challenged the West today to accept recent Soviet disarmament proposals and thus, the Communist party paper said, satisfy world public opinion.

The U.S. State Department is reported studying the latest Soviet bids for a ban on nuclear weapons manufacture and tests, reduction of military forces in Europe and other proposals.

"Humanity awaits from Western statesmen a direct reply to the clear and concrete proposals of the Soviet government," Pravda said.

Rapped NATO Plan

The article followed criticism by Pravda yesterday of a NATO suggestion for East-West foreign ministers talks. Moscow radio praised the suggestion today but then accused Washington of trying to bury the talks which were proposed Dec. 19 at the close of a NATO summit meeting.

The NATO proposal was the first hopeful sign of good-neighborly relations, said the broadcast beamed to North America. Pravda, the Russian Communist party newspaper, said yesterday a foreign ministers meeting would only be used by the West to make "more accusations against the Soviet Union."

Moscow radio said if U.S. officials cannot bury the talks they will "put up such conditions that the talks could not lead to any results worth speaking of."

Arrest Man Nine Minutes After Holdup

BUFFALO, N.Y. (AP) — A man arrested nine minutes after a bank teller handed \$2,000 to a bandit is facing grand jury action on a charge of first-degree robbery.

Charles van Bergen, 50, was arrested yesterday at his home about a mile from the Bidwell Branch of the Maine Trust Co. He pleaded innocent at his arraignment in City Court.

The court assigned an attorney to defend the dapper, middle-aged man after he said he had no money for a lawyer.

Police said Van Bergen gave himself up quietly and handed them the money. They said he told them debts and a craving for barbiturates led him to the robbery.

Police traced his automobile through a license plate number jotted down by a bank teller who rushed after the bandit.

ACTOR SLAIN IN STREET BRAWL

NEW YORK (AP) — A husky laborer was charged with homicide today in the street-brawl death of Broadway actor Gerald Sarracini.

Monroe Gibson, 26, was picked up by police last night and assertedly admitted he felled 30-year-old Sarracini with one punch on Christmas Eve outside a tavern along Broadway near 64th Street. The actor died yesterday of a brain concussion.

Sarracini, a Canadian, had a title role in the current Broadway show "Romanoff and Juliet," which stars Peter Ustinov.

With Sarracini, and also felled by an assailant, was ex-welterweight boxer Tommy Bell, 34. At first, Bell said he and his friend were attacked by several men. Later, he said he had been drinking and that he disliked admitting that he and Sarracini had been bested by a single opponent. Gibson and Bell are Negroes; Sarracini was white.

WARMING THE STATEHOUSE

BALTIMORE (AP) — Before approving a recommendation that Maryland coal be used to heat state offices, when economically feasible the Legislative Council's finance committee discussed other fuels.

"What do we use for heating the Statehouse?" asked one committee member.

"Hot air," snapped Chairman Boone (D-Balto County).

EGYPT OFFERS PLAN FOR NEW COMMON MART

CAIRO (AP) — Egypt proposed today the establishment of a common market by African and Asian nations to counteract the new European common market.

The proposals were made to the economic committee of the African Union, which opened yesterday with the traditional slogans of Communist propaganda.

The committee heard the proposal by Abdel Razzak Hassan of Egypt behind closed doors. Some members protested that they wanted to hear a Soviet economic report before debating the idea.

Plenary Session Later

The Russian report was scheduled for a plenary session later. In the past Russia has tried to attract underdeveloped nations to communism by painting glowing pictures of her economic progress.

The European common market of France, West Germany, Italy, Belgium, the Netherlands and Luxembourg, will go into effect Jan. 1. It will throw a single tariff wall around the six nations and provide privileged access to the countries for some products from African areas connected with them.

Some independent African countries have expressed fears that they will have a harder time selling raw materials to the six. Talk of countermeasures has also been heard in Latin-American nations that export to the common market area.

The Egyptian report said an African-Asian common market would promote cooperation among the nations as well as combating the European bloc.

Not a single kind word for the West was spoken yesterday by the 40 delegates from 38 nations and colonies. No more were expected today and the conference will probably go on this way until its scheduled end Jan. 1.

Since the delegations are non-official—some are composed of exiles—the conference is unrestricted by the normal diplomatic niceties of governments. The delegates have used this leeway to lambaste the West.

Among targets of speeches at the opening session of the Egyptian-sponsored conference were nuclear weapons tests, the Eisenhower Doctrine, military alliances and foreign military bases.

MALIBU, Calif. (AP) — Frederick Law Olmsted, 87, a noted landscape artist, died Wednesday. He was a partner in the firm of Olmsted Brothers of Brookline, Mass., many years ago and also was a member of the faculty of Harvard University from 1900 to 1914.

ST. PETERSBURG, Fla. (AP) — H. Sanford Williams, 48, president of the National Retirement Foundation, an organization to help older people, was found shot to death Wednesday. His wife and their two children also were found fatally shot and police said Williams killed them and then killed himself.

HEADS AGENCY OFFICE IN D. C.

J. WILLIAM McILHENNY

Ketchum, MacLeod and Grove, Inc., Pittsburgh and New York advertising agency, announces the appointment of J. William McIlhenny, formerly of Gettysburg, as manager of its new branch office in Washington, D. C.

Mr. McIlhenny, who will take over his new duties immediately, has been associated with the agency since 1949, serving in various capacities. He has been in Pittsburgh for the last four years. Prior to that he was headquartered in Washington.

KM&G's new Washington office is being set up to handle the advertising accounts of the Air Transport Association, American Aviation Publications, Inc., and other agency accounts in the Washington area which previously have been serviced from Pittsburgh. The office will be located temporarily at 7276 Jackson Place, N. W.

A native of Gettysburg, Mr. McIlhenny graduated from Gettysburg College in 1936. He was a former newspaper reporter and a son of the late Mr. and Mrs. J. W. McIlhenny. After World War II service in the Army, where he rose from first lieutenant to lieutenant colonel, Mr. McIlhenny was associate director of the National Foundation for Consumer Credit, Washington, D. C., from 1946 to 1949.

Mr. and Mrs. McIlhenny and their two children, now residents of Mt.

Secretary Of U. N. Returning To U. S.

CAIRO (AP) — U.N. Secretary General Dag Hammarskjöld left today after two days of talks with Egyptian leaders. He flew to Beirut, Lebanon, for a brief stopover on the way to New York.

Hammarskjöld met with President Nasser last night and held another conference this morning with Egyptian Foreign Minister Mahmoud Fawzi, who saw him off at the airport. A spokesman for the secretary general declined to say what subjects the talks covered.

In Paris the office of French Premier Felix Gaillard announced that Hammarskjöld would call on the Premier late today.

May Destroy Some Salk Polio Vaccine

NEW YORK (AP) — The Health News Institute says the supply of Salk polio vaccine is running so far ahead of demand that drug manufacturers may have to destroy hundreds of thousands of outdated doses again this year.

A spokesman for the institute, an agency representing the pharmaceutical industry, said yesterday, "This is tragic, when you consider that there are about 45 million people under 40 years who have had no polio vaccinations yet."

The federal government requires that the vaccine may not be used six months after its manufacture. The institute spokesman said several hundred thousand doses had to be destroyed last year.

The three-shot series of vaccinations takes eight months.

GOOD CATCH

PORTSMOUTH, Va. (AP) — M. S. "Tiny" Moynihan, a 24-year-old mail carrier, is quite a hero to folks around here, but he takes the incident as just one of those things which happen to a mailman.

Donna Kelly, 4, trying to retrieve some toys, slipped and neighbors watched in terror as she clung by one hand to the outside of a second-floor window sill. Moynihan, a former high school athlete and assistant to the athletic director of the recreation bureau, rushed up and persuaded the child to drop. He made a perfect catch.

CINCINNATI (AP) — Walter Goforth should have stayed in bed. Goforth told police he broke his leg while trying to capture a bird that flew into his bedroom during the night.

Wedding

MRS. BAUMGARDNER

Miss Selma Gloria Balco, University Hospital, Baltimore, daughter of Mr. and Mrs. M. S. Balco, Mt. Rainier, Md., became the bride of George Robert Baumgardner, Baltimore, son of Mr. and Mrs. James C. Baumgardner, Taneytown, Monday afternoon at 4 o'clock in the Basilica of the Assumption Church, Baltimore. The Rev. Thomas Mardaga officiated at the double-ring ceremony.

The church was decorated with white gladioli. "Ave Maria" and "Psalms Angelicus" were sung during the service.

The bride who was given in marriage by her father wore a hand embroidered Pina gown from the Philippines and carried a white bouquet of miniature roses and baby's breath. The matron of honor, Mrs. Ann Wilson Boyce, Baltimore, wore a Christmas red dress and carried pale green cypripedium orchids with holly spray. The best man was Thomas R. O'Rourke Jr., Towson, Md.

The bride's mother wore a grey and green silk dress with pale green cymbidium orchids. The groom's mother wore a pale blue wool jersey dress with satin trim with cream colored cymbidium orchids.

The reception was held in the form of a banquet-dinner at the Sheraton Belvedere Hotel, Baltimore.

The bride graduated from the University of Maryland School of

Postpone Hearing To Revoke License

BINGHAMTON, N.Y. (AP) — A state hearing scheduled for today aimed at revoking the beer distributing license of Joseph Barbara Sr. has been postponed temporarily by a New York Supreme Court justice.

Barbara was host to more than 60 men last Nov. 14 who attended the so-called Apalachin gangland convention at his hilltop mansion. The purpose of the meeting is being investigated by several states, and also by federal authorities.

Justice Daniel J. McAvoy yesterday directed the State Liquor Authority to show cause why it should not be restrained permanently from holding revocation proceedings.

The SLA had planned to hold the hearing in Albany this morning.

Market Increases In Moderate Trading

NEW YORK (AP) — Steels continued their rise of yesterday and the stock market as a whole gained a bit in moderate trading early today.

Most advances by key stocks were small but some stretched to about a point.

The steels were ahead pretty solidly. Plus signs were in the ma-

Medicine. The groom graduated from Peddie School, New Jersey, University of Maryland, and will graduate in June from the University of Maryland School of Medicine.

Weather Forecast

Extended forecast Saturday, Dec. 28, through Wednesday, Jan. 1.

Eastern Pennsylvania, eastern New York and Midatlantic States: Temperatures will average 4 to 8 degrees above normal, south, 6 to 10 degrees above normal north, little warmer Saturday, cooler Sunday, warmer Monday and colder Tuesday and Wednesday. Rain Saturday and Monday mixed with snow or sleet in extreme north, total precipitation 1/2 to 1 inch.

Western Pennsylvania, western New York and West Virginia: Temperatures will average 4 to 8 degrees above normal, south, 6 to 10 degrees above normal in the north portion, little warmer Saturday, Monday and Wednesday and colder Sunday and Tuesday. Rain Saturday, Monday and Wednesday, with sleet or snow in north, total precipitation 1/2 to 1 inch.

The largest boxing gate in Yankee Stadium history amounted to \$1,925,504 when Joe Louis and Billy Conn fought for the heavyweight title in 1946.

Majority among aircrafts, chemicals, rails, oils and motion pictures. There were scattered losses. Non-ferrous metals showed scant change.

Republic Steel's resumption of steelmaking in the Youngstown, Ohio, area stimulated the steels. The easing of pressure on the market from tax-selling also helped prices, brokers said, and led to hopes that a year-end rally might be sustained.

IKE WILL GET SPECIAL FUND

NEW YORK (AP) — The Eisenhower administration plans to provide the President with a special 500-million-dollar fund to exploit any possible breakthrough in the missile-satellite field, the Wall Street Journal said today.

This will boost total budget spending for the fiscal year starting next July to another peacetime record, the paper said in a Washington dispatch.

The Journal story added that the decision was reached at a secret White House meeting early this week of the President with the National Security Council, the agency that oversees U.S. defense policy.

The money, to be spent at the President's discretion, could go for research and development work or for actual procurement. As a result of the special fund, budget spending will approach and may surpass the Korean War high of five years ago, although a balanced budget is still the target.

The fund will boost projected spending for the next fiscal year to something over 74 billion dollars, compared with about 72 billion dollars this year and earlier estimates of 73 1/2 billion for the coming year.

The Korean War high was 74 1/2 billion.

14 Below Zero Recorded Here: Breaks Record: Gettysburg's weather station 40-year records were shattered Sunday night when the mercury dipped to 14 degrees below zero after setting a prior record for the season of nine degrees above on Saturday night.

Sunday night's reading was not only by far the lowest December reading ever recorded here—and the local weather records cover the last 40 years—but it was the second lowest temperature recorded here during those 40 years in any winter month, Dr. Henry Stewart said.

The subzero weather arrived a day ahead of Old Man Winter's scheduled 1942 debut which, according to the almanac was to begin at 7:40 o'clock Tuesday morning.

The lowest unofficial temperature returned to the Gettysburg Times came from Grover Yinsling at Barlow, where a thermometer showed 23 degrees below zero Monday morning.

Doctor Stewart looked back over frigid weather records Monday morning and discovered that the only day in the last 40 years that the lowest reading was reached was on January 14, 1912, when the mercury sank to 20 below.

Brother Of War Victim Volunteers: Declaring that he feels there is "a job for me to do overseas," Richard Carl Brady, younger brother of the late Francis H. Brady, first World War II casualty to be interred in Adams County, has volunteered his services to the U. S. Army and has asked for foreign service.

Young Brady is one of six volunteers included among 142 men who will be sent to Harrisburg from Adams County on January 1 and 2 for induction into the U. S. Army.

3 Brothers Get 3 Deer: Three Bendersville brothers, hunting in three different counties, brought down a buck a piece during the hunting season just ended. The three bucks weighed a total of 446 pounds and carried a total of 31 points.

Clyde P. Orner, bookkeeper for the C. H. Musselman Company in Biglerville, was hunting alone near Pine Grove Furnace in Cumberland County when he brought down a deer with antlers bearing 15 points and indications that four or five points had been broken off one antler.

Emerson L. Orner, used car dealer at Bendersville, shot a large eight point buck in Tioga County which dressed 176 pounds.

Lloyd J. Orner, manager of the Bendersville garage, shot his eight-point buck in Sullivan County. It dressed 128 pounds.

C. A. Brame Jr., 7th In Nation In Stamp Sales: In comparison with other Pennsylvania newspapers the carriers of the Gettysburg Times rank high for their sales of war stamps on October 3, National Newspaper Boy Day.

Figures just announced show that the Gettysburg carriers placed fifth among all the participating papers in Pennsylvania in total sales.

The figures also reveal that C. Arthur Brame Jr., Lincolnway East, placed seventh among all the carriers in the United States for sales on October 3.

P. O. Rush Hits Peak Tuesday: The volume of outgoing mail at the Gettysburg post office reached its Christmas season peak on Tuesday when 24,000 letters and greeting cards were cancelled. Monday was a close second in a pre-Christmas rush that has shattered all previous records at the local office, with about 23,000 cancellations.

Bank Retains All Officers: The board of directors of the Littleton State Bank re-elected all officers at the annual reorganization meeting Monday morning. The officers and employees include Luther D. Snyder, president; William B. Sneringer, vice president; Charles M. Weikert, secretary; Wilbur A. Bankert, treasurer; Evelyn C. Altoff, assistant treasurer; Warren A. Harner and Mary Rita Redding, tellers; and Ruth M. Jacobs, bookkeeper.

Today's Talk

"GODS OF GOLD"
Moses wrote the Ten Commandments. He must have been a very strong character, who lost his temper at times, as he did one day when he broke up the substance that contained those Commandments and said the people had discarded them for "gods of gold."

There are many people who worship mere money as the most important thing in life. It is essential that we have sufficient money to healthfully and decently care for our needs, but beyond that the mere accumulation of money to the point of worship is to surrender to the gods of gold.

Money, however, that has been honestly earned, and distributed to useful ends, has become a blessing wherever it has been placed. Great educational projects, scientific endowments, and medical centers have served millions of people, and brought them through to a happy way of life.

I have visited many great libraries and art galleries that have been dedicated to the people, and they are an inspiration to us all. I recall the instance of one man who was very wealthy, and while so, donated a fine scientific school where young men could study and prepare themselves for a useful career. Later misfortune came to this man and he lost nearly his entire fortune, compelling him to move to a modest home, but when he referred to that school which he had given he would often say that he still was a very wealthy man!

The famous Andrew Carnegie, who came into great wealth earned in steel, once stated that he hoped to die poor, and to aid this ambition he gave away scores of libraries all over America. I dare say that this investment was what he would say today, if he lived, was his real wealth!

Tomorrow Mr. Adams will talk on the subject: "The New Year"

Presented, 1957, by The George Matthews Adams Service

Just Folks

THE HARD TASK
It's an easy thing to say
What another man should do.
But it's different through the day
To be quite so strict with you.

You can see what's right for them
Very clearly as you go,
And it's easy to condemn
When they falter or are slow.

But it's mighty hard to do
Every minute of the day
Only what is good for you,
And to keep the narrow way.

postmaster at Gettysburg for the last nine years and nine months, announced Saturday that he is resigning the postmastership effective March 31, 1943.

He stated that he expects to re-enter the real estate and brokerage business in which he was engaged before becoming postmaster in 1933.

When Mr. Williams was appointed to the office by President Roosevelt on July 4, 1933, the Gettysburg post office was a second class office. In 1936 it attained first class rating.

NEW TWIST TO HOLDUP STORY

SAN FRANCISCO (AP)—A short, middle-aged man with his hand deep in the pocket of his heavy tweed coat sidled up to drugstore manager Michael Schachter, 45, and motioned him to the cash register.

Schachter handed him \$30. "More," said the bandit softly. Schachter handed him another \$20, unnoticed by three clerks and four customers in the store.

"Lay down," the bandit ordered. Schachter obeyed. Police arrived a short time later. They left when other clerks and customers said there had been no holdup.

After checking by radio with headquarters, police returned and found Schachter still prone on the floor. He had pulled a telephone off the counter, called police and maintained his position.

Hanover Woman Killed In Crash

HARRISBURG (AP)—A 76-year-old Hanover woman died in Harrisburg Hospital yesterday after she was injured in a two-car collision in nearby Middletown.

The victim was identified as Mrs. Amy H. Flickinger, 145½ McAllister St. Dr. Thomas J. Pritchey, Dauphin County coroner, said an autopsy will be performed to determine the exact cause of death.

Mrs. Flickinger was a passenger in a car driven by her husband, Edgar, 70. Middletown patrolmen Sam Lancaster and Steve Mrakovich said Flickinger drove into the rear of a car driven by Donald J. Arnold, Middletown. Flickinger was treated at the hospital for cut lip and released. Arnold escaped injury.

Pritchey said a broken ankle and a cup lip were Mrs. Flickinger's only apparent injuries.

U. S. HAS SPENT 17 BILLIONS ON MISSILE WORK

By ELTON C. FAY
WASHINGTON (AP)—The United States has put more than 17 billion dollars into research, development and production of missiles since it began work on them during World War II.

All but about half a billion dollars of the total has been programmed since the beginning of the Korean War in 1950 set off the rearmament program.

Congressional committees are investigating or preparing to investigate the whole missile program. They will try to determine whether the Pentagon has been diligent in spending the money provided by Congress and whether it has had enough funds.

Includes Current Year
Figures made available at the Pentagon today show that \$17,178,000,000 has been assigned to missile programs since "fiscal year 1946 and prior." The figure includes an estimated \$4,638,000,000 for the current fiscal year, but does not take into account an extra billion dollars which Secretary of Defense McElroy has said he will ask from Congress.

A Defense Department summary said the total includes "the cost of bringing guided missile weapon systems to an operational status, research and development, production facility expansion and tooling, procurement, contract and military overhead to support missile testing and certain construction costs for research and development."

It does not include such items as the cost of running operational sites, like those for the Nike anti-aircraft missile.

Figure Rose Lately

From the time the services began analyzing captured German missiles late in World War II and studying development of their own weapons through June 30, 1946, the total missile program amounted to about 70 million dollars. During the 1947 fiscal year ending June 30, 1947, the outlay was 58 million dollars, then started climbing to 81 millions in 1948, and to 96 millions in 1949. It reached 134 millions in fiscal 1950—which ended about the time the Communists attacked in Korea.

Although there is little evidence that the United States was aware of a time of Russia's intensifying interest in missiles, the inception of the Korean War revealed Soviet technological capability in new jet aircraft, and along with other military spending increases, the allocation for work on U. S. missiles jumped to 784 millions in fiscal 1951.

Dropped Back Bit

The figure rose to \$1,058,000,000 in 1952, and to \$1,166,000,000 in 1953.

It dropped back a bit to \$1,967,000,000 in fiscal 1954, the first full fiscal year of the Eisenhower administration.

But the program outlay moved up again to \$1,470,000,000 in the year ended June 30, 1955; climbed to \$2,270,000,000 the next year; to \$4,284,000,000 in fiscal 1957; and to \$4,638,000,000 estimated for the current year.

A Pentagon spokesman said no analysis is yet available on how the missile obligation items for each fiscal year, as approved by Congress, compared with the requests from the military.

B & O Will Furlough 2,800 In 13 States

BALTIMORE (AP)—For the second time in two months, the Baltimore and Ohio Railroad has announced a furloughing of employees throughout its 13-state system.

The latest cutback, announced yesterday, will affect about 2,800 employees in all departments—or about seven per cent of the company's total personnel. The layoff is effective Jan. 1.

Another 2,500 employees were affected by the last systemwide furlough on Nov. 1.

The company blamed business conditions for the newest cutback order. It said the B&O's freight loadings are running 1,600 cars a day, or 17 per cent under the figure this time last year.

A spokesman said no breakdown as to classification and locality of the furloughs have been made as yet.

EXPECT LIGHTER TRAFFIC TOLL

CHICAGO (AP)—The National Safety Council today estimated 130 Americans will die in traffic accidents during the New Year celebration.

The council predicted 180 fatalities on the streets and highways during the Christmas holiday. The total reached 225.

Statistics show that, since World War II, traffic deaths have been substantially lower during the New Year celebration than during the Christmas observance. One big factor is less long-distance travel. The lowest toll since World War II is 93, compiled during the one-day switch from 1946 to 1947.

The New Year period will run from 6 p.m. Tuesday, Dec. 31, to midnight Wednesday, Jan. 1. That's 30 hours, the same as the Christmas period.

FATHER OF FOUR ADMITS \$10,211 BANK ROBBERY

BUTLER, Pa. (AP)—State police and FBI agents today reported the arrest of a debt-ridden salesman in connection with the \$10,211 holdup last Monday of Peoples National Bank in Rural Valley in Armstrong County.

Capt. Eugene Fontaine of the Butler State Police barracks said Robert C. Rose, 35-year-old father of four, was arrested shortly before last midnight at his home in Parker, east in Armstrong County.

Fontaine said Rose admitted the robbery in a signed statement.

The officer quoted Rose as saying he pulled the holdup on his own because he was deeply in debt and needed money to pay off about \$1,400 in bad checks.

Robs Lone Teller
Rose sold dehumidifiers out of an office in Butler.

A lone gunman entered the bank at Rural Valley, 12 miles east of Kittanning, last Monday at noon and asked for 50 pennies in return for a half-dollar. Then he pulled a pistol and demanded money of the lone teller on duty, Miss Stella Samonsky.

Miss Samonsky fled to a rear room occupied by the cashier, Charles Dill. No one else was in the bank. The robber held both at gunpoint while he scooped up the money and fled in a late model station wagon.

Fontaine said it was the great speed of the get-away car that led to the arrest of Rose. He said the vehicle sped over back roads most of the entire 40-mile trip from Rural Valley to Parker in the extreme northwestern corner of Armstrong County.

\$5,028 In Satchel

"Rose greeted the arresting officers like they might have been long lost brothers," Fontaine said. "Then he took them to another car, not the one used in the holdup, and gave them a satchel containing \$5,028."

Fontaine said Rose told him he used \$1,400 to cover bad checks and deposited \$1,000 in the First National Bank at Emlenton the day of the holdup. The rest of the money hasn't been accounted for. Rose lived in a comfortable house on Bluff St. in Parker. His oldest child is nine years old. Police said he had no previous record.

Rose was taken first to the state police barracks at Butler. Later he was moved to the county jail at Kittanning.

There were 100 Chesapeake and Ohio employees present recently when the Rev. William D. Lilly was ordained a minister at the Willow Island, W. Va., Baptist Church. They'll all relatives of his and all employed by the railroad.

3 Vehicles Crash; Aged Woman Killed

PHILADELPHIA (AP)—Mrs. Mary Wickensham Crawford, 79, Bridgeport, Montgomery County, was killed and two other persons injured yesterday in the collision of two autos and a truck on the Schuylkill Expressway near Conshohocken, Pa.

Injured were George Williams Jr., 27, Norristown, the driver of one of the automobiles, and A. Russell Atwater, 12, a passenger in the car driven by his grandmother, Mrs. Crawford. Williams was listed in fair condition at Montgomery Hospital, Norristown, with a fractured hip and other injuries. Young Atwater suffered a fractured right arm.

Police said the crash apparently occurred when one car sideswiped another while passing.

Bus Strike Is In Its Eighteenth Day

POTTSVILLE, Pa. (AP)—Strike of 54 bus drivers against the East Penn Transportation Co. entered its 18th day today after union and management representatives broke off negotiations yesterday.

A meeting called by Mayor-elect Michael Close ended yesterday with both sides saying the negotiations were hopelessly deadlocked. No new talks were scheduled.

Local 118, Street, Electrical Railway and Motor Coach Employees, representing the drivers, wants to base wage talks on a 10 cent retroactive increase for 1957 while the company's offers are based on a two year contract for 1958-59.

UNION SUING RIVAL UNION FOR \$200,000

LOCK HAVEN, Pa. (AP)—A \$200,000 civil libel suit filed by the Independent United Electrical Workers Union against the International Association of Machinists was before Clinton County court today.

The suit grew out of a collective bargaining representation election held at the Sylvania Electric Products, Inc., plant in nearby Mill Hall last April 12.

The UE finished third in the election, with 101 votes, while the IAM won with 170 votes. The International Union of Electrical Workers was runnerup with 167 votes.

The UE charges the IAM and four of its officers circulated a forged letter purporting to show that the UE "held the workers at the Sylvania plant in extreme contempt . . . had to resort to immoral conduct in order to secure the voting support of the male employees . . . and made false promises . . . to solicit their votes."

The National Labor Relations Board ruled earlier this month that the letter was a forgery and ordered a new election held next Jan. 7.

TWO KILLED IN HIGHWAY CRASH

WILLIAMSPORT, Pa. (AP)—A truck loaded with stones and a station wagon collided at an intersection near Trout Run yesterday, killing both occupants of the smaller vehicle.

The victims were identified as Frank S. Colacino, 57, Newark, N.Y., and his wife, Lena, 55. They were pronounced dead at the scene.

The collision occurred where State Route 14 meets U.S. 15 at Trout Run, 13 miles north of here.

Earl Miller, Lycoming County coroner, said Colacino, travelling south on Route 14, drove his station wagon through a stop sign into the truck's path. The truck, northbound on U.S. 15 with 10 tons of stones, rolled over on its right side after the collision. The driver, Lester Murray, 30, of Proctor Star Route, Williamsport, was treated for shock at Williamsport Hospital and released.

Miller said no inquest would be held.

Man Gets Double Jury Duty Call

CHELMSFORD, Mass. (AP)—Edmund J. Welch has been summoned to serve on both the Superior Court and U. S. District Court juries, both beginning Jan. 6.

Charles E. Bolster said, "It's one in a million for a person to get a twin jury call."

Judge Bolster said he will excuse Welch if he wishes to serve in the federal court.

NEWS OF ADAMS COUNTY MEN IN ARMY SERVICE

Specialist Third Class Archie R. Maust, son of Mr. and Mrs. Arthur A. Maust, 238 Baltimore St., is a member of the 155th Transportation Company at Fort Story, Va.

A cargo checker in the company, Maust entered the Army in 1940.

Mause, whose wife, Eugenia, lives in Denbigh, Va., was graduated from Gettysburg High School.

James E. Barlup, 24, son of Mr. and Mrs. Casper M. Barlup, R. 5, recently was promoted to specialist third class while a member of the 10th Antiaircraft Artillery Missile Battalion at Fairchild Air Force Base, Wash.

Specialist Barlup, a clerk-typist, entered the Army in May, 1956, and completed basic training at Fort Dix, N. J.

He was graduated from Gettysburg High School in 1951 and was employed by the C. H. Musselman Co., Biglerville. His wife, Janet, lives in Spokane, Wash.

Pic. Wayne R. Wolf, son of Mr. and Mrs. Millard A. Wolf, York Springs, R. 1, recently completed training in map and compass reading in preparation for proficiency tests to be conducted next month in Germany.

Wolf received instruction in locating points at night and applied this training during a unit field exercise.

A rifleman in Company D of the 11th Airborne Division's 504th Infantry, Wolf entered the Army in June, 1954, and arrived in Europe in March, 1956.

The 21-year-old soldier attended York Springs High School before entering the Army.

CAMDEN, N.J. (AP)—Norman J. Taylor Jr., 20, Kresson, N.J., who police say wounded his father and mother with a shotgun because they objected to the company he was keeping, was held for grand jury action yesterday.

Taylor, arraigned before Municipal Judge Albert Spear in Glendale, N.J., waived a hearing and pleaded guilty to charges that he shot his mother, Sarah, 58, and his father, Monday night at their home. He was held without bail for the grand jury.

Police identified the driver of the car as Mrs. Ann Manifest, 30, of Bangor R. 2.

Bowl Games Will Provide Duels Between Ground Power And Aerial Attacks New Year's

By JACK STEVENSON

SAN FRANCISCO (AP)—A duel between air and ground power is in prospect for tomorrow's 33rd annual Shrine charity East-West football game.

Coach Jack Curtice of the West named Jackie Douglas, the 178-pounder from Stanford, as his starting quarterback, emphasizing the plan will be to attack the favored East through the air.

The two West victories in the last six games were engineered by aerial-minded quarterbacks from Stanford, Bobby Garrett in 1954 and John Brodie last year.

With Douglas in the backfield will be Jim Shofner of Texas Christian and Stu Vaughan of Utah at the halves and Gerry Nesbitt of Arkansas at fullback. Vaughan, a flanker back, was the nation's leading collegiate pass catcher this past season with 756 yards and a touchdowns on his 53 catches.

East Line Is 'Big'

At the ends for the West are Farrell Funtun, 6-2 and 210 pounds, from College of the Pacific and Willard Deweall, 6-4, and 215, from SMU.

"We won't try to go through that big East line," says Curtice, whose Utah team had the best passing record in the nation, "so we'll have to go around and over it."

Both teams will use a T formation but while the wide attack of the West is set for passing, the East will run from a wing T and seems to be banking on running.

The kickoff for this game being televised nationally by NBC is scheduled for 5 p.m. EST.

West Virginia's Mickey Trimark drew the starting quarterback assignment with powerful runners Jim Pace of Michigan, Walt Kowalczyk of Michigan State and Emil Capara of Penn State rounding out the backfield. Pace, All America and the Big Ten's most valuable player, averaged 5.4 yards per carry during the season and Kowalczyk equaled that mark.

The strategy would seek to have Trimark pass to open defenses for his running compatriots.

"We're trying for a balance attack," declared the East's coach, Rip Engle of Penn State.

Gator Teams Are Fit

JACKSONVILLE, Fla. (AP)—Coaches Paul (Bear) Bryant of Texas A&M and Hayden Wyatt of Tennessee pronounced their teams fit and ready today on the eve of their Gator Bowl football game.

Both coaches scheduled light, fine workouts in Gator Bowl stadium this afternoon.

Partly cloudy skies and temperatures in the 60s are forecast for the kickoff at 2 p.m. (EST). The game, expected to draw a sellout crowd of 42,000, will be telecast and broadcast nationally by CBS.

The Aggies and the Vols both leaned heavily on stingy defenses to win bids to this 13th postseason show and their preparations for it point to a low scoring game.

A&M rated No. 9 and Tennessee No. 13 in the final Associated Press poll.

Blue-Gray Battle

MONTGOMERY, Ala. (AP)—A great deal of passing will mark tomorrow's Blue-Gray football game here, the team's head coaches say.

The Northern line outweighs the Rebel group, but the South has the edge in back speed and passing Coach Andy Pliny commented today. The Gray attack will be mostly passing, he continued, although halfbacks Jimmy Orr of Georgia and Phil King of Vanderbilt, two capable runners, will greatly assist the offensive efforts.

"Our problem will be to stop the Blue on the ground," Pliny said.

The North line averages 211 pounds and the South 207.

Yankee Coach Murray Warmath also said he expected a lot of aerial action.

Edna John Jelacic of Minnesota and Dick Scherer of Pittsburgh, and tackles Frank Youso of Minnesota and Les Rutledge of Michigan State will anchor the Yankee defense. Also working against the Rebel offense will be Dick Larson of Minnesota or Dan Nolen of Lehigh, safety, and Notre Dame's Chuck Lima or Penn State's Paul North, fullback.

PETTIT BREAKS HIS FINGER

By THE ASSOCIATED PRESS

The St. Louis Hawks, leaders in the western division of the National Basketball Assn., are looking fondly at the eight and a half game lead they built up, for it may be the thing to get them through the week now that Bob Pettit is out with a broken finger.

Pettit fractured the digit last night in the second period of a game in which the Detroit Pistons toppled the Hawks, 110-106 on George Yardley's 48 point effort.

In other games, the Boston Celtics beat the New York Knicks 120-110 and Syracuse came on with a rush to top the Cincinnati Royals in the first part of a St. Louis twin-bill, 104-100.

Pettit, who also lost his league scoring lead to Yardley, was hurt in a scramble for a rebound under the Detroit basket. X-rays disclosed a break in the base of the bone of his fourth finger. A cast was put on his hand, with the fingers free so that he can return to league play in a few days, according to doctors.

LEAHY WILL DECIDE TEXAS JOB SATURDAY

By THE ASSOCIATED PRESS

CHICAGO (AP)—All that stands between Frank Leahy and the Texas A&M football job is his stomach. The former Notre Dame mentor, who retired nearly four years ago after suffering a near fatal attack of pancreatitis, was in Pasadena Hospital today for a check-up.

If doctors think his stomach can withstand the strain of returning to coaching, the 49-year-old Leahy said he will announce Saturday acceptance of the Texas A&M job as football coach and athletic director.

Since he retired he has been treated for a stomach disorder unrelated to pancreatitis.

He arrived at the hospital from his Long Beach, Ind., home last night. Bob McBride, who will be Leahy's assistant at Texas A&M, helped the coach to his bed. Leahy is on crutches. He broke his ankle in a fall while carrying an armload of presents Christmas Eve.

McBride To Coach

Leahy revealed that present plans call for McBride to become head football coach at Texas A&M after three years. Leahy then would devote full time to the athletic directorship.

McBride, 34, played for Leahy at Notre Dame and served as his assistant there from 1949-1953. When Leahy retired, McBride left with him. In the last four years, McBride has been a contact man for a steel company.

"I was never so sincere about anything in my life when I said I would never coach again after leaving Notre Dame," Leahy said in an interview. "But I have missed football and the joy of being a teacher."

"There is more to life than making money. You must give yourself something. The thrill of coaching, being with young men, is something I failed to appreciate fully until I no longer had it."

RECHECK SHOWS CAGE CONTEST ENDED IN TIE

By THE ASSOCIATED PRESS

An oddity in basketball took place Thursday evening at York Springs where a recheck of the scoreboard at the conclusion of the game revealed that Bermudian Joint and the York Springs Alumni had played to a 69-69 deadlock instead of resulting in a two-point victory for the Alumni.

The good-sized crowd has already left the gymnasium believing that Mac Lott's goal with 10 seconds remaining had given the Alumni a 69-67 victory.

Following the recheck which revealed the tie plans were made to have a three-minute overtime played this evening following the Bermudian Joint-East Berlin Alumni game at East Berlin.

Dan Williams led the York Springs Alumni in scoring with 26 points and Lynn Golden added 14. Charley Chronister netted 24 for Bermudian with George Williams contributing 16.

GIARDELLO AND JONES TONIGHT

By THE ASSOCIATED PRESS

MIAMI BEACH, Fla. (AP)—Joey Giardello of Philadelphia, U. S. second-ranked middleweight, and Ralph (Tiger) Jones of Yonkers, N. Y., meet tonight in a televised (NBC) 10-rounder. Odds-makers see the bout as a likely repeat of Giardello's victory in 1954.

Giardello was expected to weigh in at 160 pounds and Jones at 156.

The Philadelphia, undefeated in seven bouts this year, and Jones, with a 3-3-1 win-loss-draw record, both are aggressive fighters whose ring styles make a free-swinging bout probable.

The outcome tonight could swell or deflate a buildup of Giardello as the possible next challenger of Carmen Basilio for the middleweight crown in the event that Sugar Ray Robinson doesn't sign for a return bout.

Under Florida scoring rules the winner of a round gets 10 points and the loser nine or less. The fight goes on at 10 p.m. (EST).

Easton Has Laboratory To Study Newspaper Problems

By S. PARNELL LEWIS

EASTON, Pa. (AP)—This community—90 minutes from Broadway and Independence Hall—has become a mecca for newspapermen this side of the Iron Curtain.

In the mecca is the only research laboratory in the world devoted exclusively to putting the mechanical problems of newspapers under the scientific eye of trained research men.

The American Newspaper Publishers' Assn. initiated the idea in 1946. Three years later it started the studies in the downtown area of this eastern Pennsylvania community on the Delaware River.

On June 20, 1951, the laboratory moved to a new one-story brick building of 8,400 square feet on the city's outskirts. In 1955 an addition of 2,000 square feet was opened. The structure and its contents are valued at more than \$600,000.

Employs 24

Today its 24 employees work to achieve faster and better methods of producing newspapers more economically.

Last year the laboratory had 358 professional visitors. They came from all over the United States, Canada, Denmark, Sweden, Japan, Australia, England, Central and South America, the Netherlands and Germany.

P. A. Weber, a printing trade executive from the Union of South Africa, said after a visit: "Our party was astounded. If we saw nothing else, this visit alone justified our visit to the United States."

The center does research for 90 per cent of the newspapers in the United States and 50 per cent of those in Canada.

Its developments often are as unnoticeable to a reader as a baseball manager's signs are to a spectator. But like the manager's strategy calls, bringing victories, so the laboratory tells newspapers how to improve the product. In doing this, the research center is helping the newspaper industry meet competition from other forms of communication.

Three Projects

Presently the laboratory has three main projects designed to improve newspapers. According to Alfred S. Taylor, laboratory director, they are:

1. TIME SAVER—the lab has developed a special backing for a mat used in the stereotype process. It is commercially available and cuts valuable minutes off the old procedure of hand treatment that often contributed to missing the scheduled press start.

2. REPRODUCTION QUALITY STUDY—Taylor explained that this involves determination of the basic measurements that effect the entire reproduction process. "This is the closest thing to a basic study the lab has at the present time," he said. "We are measuring things never measured before, such as how much a plate is thrown off the press by centrifugal force and plate distortion due to lockup procedures."

SMU KNOCKED OFF BY TEXAS TECH 72 TO 70

By ED WILKS

The Associated Press

The big clubs—North Carolina, Kansas, San Francisco, Seattle, Temple—got the job done as college basketball got back into the swing of holiday tournament play, but they may have to make room for Texas Tech, a budding Cinderella outfit, before it's all over.

Tech, a newcomer to the Southwest Conference, knocked off defending champ Southern Methodist 72-70 in overtime in the SWC Tournament at Houston yesterday.

A field goal by Pat Noakes—his only points of the game—put it in the bag with 8 seconds left after Tech, ahead 46-30 at the half, went cold and had to start battling all over again when the Red Raiders managed only 18 points in the second half.

Tech Is 7-0

Tech, only unbeaten club in the tournament, now is 7-0 and goes against Texas Christian, one of the season's favorites, in tonight's semifinals. TCU advanced with a 65-54 decision over Texas A&M.

Rice battled Baylor for a 62-52 victory and a semifinal berth opposite Arkansas, 83-67 winner over Texas.

Kansas, rated No. 2 in this week's Associated Press poll, had some trouble with Oklahoma's ball control, but Wilt Chamberlain took off for a 41-point kick that topped the Sooners 68-50 in first-round play of the Big Eight tournament at Kansas City.

Shot At Jayhawks

Iowa State gets a shot at the Jayhawks in tomorrow's semifinals after whipping Colorado 81-43 last night.

Kansas State (7-0), rated No. 3 in the AP poll, meets Missouri and Nebraska plays guest Princeton in other first-round games tonight.

Seattle's Elgin Baylor and Temple's Guy Rodgers starred at the Holiday Festival in New York's Madison Square Garden.

Baylor scored 34 points, two on free throws after the final buzzer, as Seattle put down a Connecticut rally for an 87-83 victory. Two free throws by Don Ogorek broke a 63-63 tie.

Temple Beats Pitt

Rodgers scored only 11 points as Temple defeated Pitt 76-71, but was the guy who made the Owls click. His eight assists helped Bill Kennedy take scoring honors with 22 points.

Seattle plays Temple in tomorrow's semifinals while California plays Dayton, California, after losing to San Francisco, Kansas and Kansas State in its last three games, had a ball in beating New York University 99-65. Dayton ousted defending champ Manhattan 59-51.

North Carolina beat St. Louis 63-48 in the Dixie Classic at Raleigh. Tommy Kearns was high 23 points.

Duke Meets Tar Heels

Duke, junking a 14-point Seton Hall lead for a 69-62 victory, meets North Carolina in tonight's semifinals. North Carolina State, advancing with a 71-68 decision over Northwestern of the Big Ten, plays Wake Forest, which defeated Duquesne 65-54.

Once-beaten Niagara pulled an upset in the All-College at Oklahoma City, bumping Western Kentucky 77-74 in overtime as Boo Ellis scored 38 points and pulled in 28 rebounds.

Niagara meets seventh-ranked San Francisco, a 65-48 winner over Denver, in tonight's semifinals while host Oklahoma City, which whipped Tulane 85-54, plays Tulsa, 64-54 winner over Idaho State.

REV. REINBERGER WILL BE GUEST PREACHER FOR ANNUAL MISSION

The annual preaching mission, sponsored by the Littlestown Ministerium, will be held the first full week of the new year, January 5 through 10, at 7:30 p.m. The services will be held in St. Paul's Lutheran Church.

The Ministerium will present the Rev. Francis E. Reinberger, of the Lutheran Theological Seminary, Gettysburg, as the guest minister this year. He is a man of outstanding ability as a preacher and is in great demand throughout the whole church. Littlestown is most happy to welcome him as the speaker for the 1958 preaching series.

A native of Millersburg, Pa., the Rev. Mr. Reinberger is the 38-year-old son of Edward F. and Martha (Wagner) Reinberger; educated at the Carlisle High School, Dickinson College, Gettysburg Theological

Seminary, Columbia University at New York City, and the Johns Hopkins University at Baltimore. The guest minister has served parishes at Walkersville, Md., and Camp Hill, Pa., and since 1952 has served as professor of practical theology at the seminary in Gettysburg; taught

religion and Bible at Hood College, Frederick, and New Testament Greek at Messiah College, Grant, Pa.; served as chaplain of the Pennsylvania State Senate from 1949 to 1951, and was appointed exchange preacher to England and Wales, 1952, by the World Council of Churches. He holds membership in the following learned societies: Society of Biblical Literature, the Hymn Society of America, the Medieval Academy of America, the American Schools of Oriental Research, the Liturgical Arts Society.

Ministers To Preside
The Rev. Mr. Reinberger's work in the church-at-large includes: Director of Lutheran World Action of the Pennsylvania Synod; member of the Central Pennsylvania Synod's Commission on Ecclesiastical Order; field evangelist for the Lutheran Commission on Evangelism of the National Lutheran Council; member of the United Lutheran Church Commission on worship, and was delegate to the United Lutheran Church convention, 1950, and the Lutheran World Federation Assembly, Hannover, Germany, in 1952. He is married to the former Lillian M. Jackson, of Carlisle, and they are the parents of two children, Ann Elizabeth and Mark Edward.

The pastors of the various churches of the community will preside for the services each evening, and the choir from the church whose pastor is leading the service will be in charge of the music that

W. Little and Son Funeral Home, Littlestown, followed with regular high mass at 9 o'clock in St. Aloysius Catholic Church, Littlestown. The pastor, the Rev. Fr. William A. Boyle, officiated. Interment was in St. Aloysius Cemetery. Serving as pallbearers were five sons of the deceased, Bernard C., William A., Richard F., Thomas A. and Patrick J. Eckenrode, and a son-in-law, Joseph W. Clabough.

evening: the following schedule has been arranged, along with the subjects of the sermons to be delivered by the Rev. Mr. Reinberger.

Schedule For Week
Sunday, January 5, 7:30 p.m., the Rev. David S. Kammerer, host church pastor, in charge, and the ministerium will use as his theme, "The Divine Promise"; Monday, January 6, the Rev. William C. Kams, pastor of St. John's Lutheran Church, sermon subject, "This Is My Body"; Tuesday, January 7, the Rev. G. Howard Koons, pastor of Christ United Church of Christ, sermon on "The Searching Shepherd"; Wednesday, January 8, the Rev. Glenn Finchbaugh, pastor of Redeemer's United Church of Christ, sermon on "The Nature Of True Joy"; Thursday, January 9, the Rev. Rodney T. Yates, pastor of Centenary Methodist Church, message theme, "The Blessed Gift"; Friday, January 10, the Rev. Mr. Kammerer will lead the worship, final message by the ministerium on "Our Guide To Life."

As is the custom each year, the Ministerium will have a special assembly program in the Littlestown Junior-Senior High School on Wednesday of the preaching mission week, January 8. The Rev. Mr. Reinberger will speak to the students at this time. The local pastors will participate in the assembly. A complete schedule for this program will be announced at the bi-monthly meeting of the ministerium on Monday, January 6, 10 a.m., at St. Paul's Church.

The various organizations of the community are asked to cooperate in this major effort to emphasize the place and significance of religion in the life of the people by arranging their meetings so there will be the least possible conflict of events during the mission week.

FRENCH SEEK TO AVERT FUTURE CABINET TIFFS

PARIS (AP)—Party leaders in the French Cabinet turned today to their National Assembly supporters to back a plan to curtail the nation's chronic Cabinet crisis.

Premier Felix Gaillard's Cabinet, which represents the major center parties, approved the three proposals in the plan yesterday. Only the Catholic Popular Republican Movement has already given its support.

The proposals would prohibit deputies from introducing bills to cut taxes or boost expenditures; give functioning governments the right to dissolve the Assembly and seek support for their policies in a nationwide election; and make it harder to turn cabinets out of office.

The key measure is the last one. Instead of voting on confidence in the government, the Assembly would vote on whether to censure it. If censure motions fail to win a majority of the total membership, the government would stay in office. If no motion is introduced, the bill under consideration would pass automatically.

This way an alternate majority to provide a new government would have to exist before a cabinet could be turned out. In the past a minority of deputies have usually brought down a government without offering any basis for a new one.

SUKARNO, FOE MEET NEXT WEEK

JAKARTA (AP)—Another attempt will be made to reconcile differences between President Sukarno and former Vice President Mohammad Hatta before Sukarno leaves about Jan. 5 on a rest trip abroad, officials said today.

Hatta quit the government last year in protest against Sukarno's letting Communist influence increase in Indonesia.

Officials said the meeting, scheduled for next week, will also include government and parliamentary representatives.

Japs Offer Ships

Meanwhile, Shipping Minister Nazir told newsmen that Japanese shipowners have agreed to lend Indonesia 75,000 tons of shipping to handle interisland trade formerly carried by the Dutch.

The Dutch KPM shipping line was seized by Indonesia in the campaign early this month against the Netherlands for its refusal to hand over Dutch New Guinea. Without Dutch operators the ships have been largely out of action.

Nazir said he already has a "nucleus of ships" to replace KPM and money to charter them.

In Singapore, meanwhile, 610 more Dutch refugees arrived by ship from Indonesia.

JENKINTOWN, Pa. (AP)—The intense rainfall of the past few days brought some benefits.

Harold F. Schutt, president of the Philadelphia Suburban Water Co., announced yesterday that restrictions placed on the use of water in certain areas has been lifted.

Because of the rainfall which replenished the company's supplies, consumers in Montgomery, Delaware and Chester counties now may wash their automobiles and use their hoses for watering evergreens, and other plants.

FATALLY INJURED IN AUTO MISHAP

EAST HARTFORD, Conn. (AP)—Charles Gould, 63, of Collingswood, N.J., was fatally injured in a two-car collision on the Wilbur Cross Highway yesterday.

He was pronounced dead shortly after being taken to Hartford Hospital.

In serious condition at the hospital was Gould's wife, Eloise, 65, and daughter, Margaret, 32. Mrs. Gould was on the hospital's critical list last night.

Police said Gould and his wife were passengers in an auto driven by his daughter, a resident of Abington, Pa.

The driver of the other car, Paul Gilberto, 27, of Hartford, suffered cuts and possible broken ribs and was in good condition.

Gilberto's car jumped an esplanade and veered over into the oncoming lane, police said, striking the Gould auto.

FIVE STUDENTS ARE BITTEN BY RABID PUPPY

LAKELAND, Fla. (AP)—Seven persons are known to have been bitten by a puppy found to have rabies after it had been cuddled and petted by scores of Florida Southern College coeds.

The death of the dog and determination that it was rabid touched off a series of telephone calls by college officials to points throughout the country to warn 82 girls known to have been in contact with the dog.

Letters are going out to tell the entire student body of 2,000 about the situation, since others may have been exposed to the animal.

The college said five students were bitten: Sheila Bryant, Atlanta; Patricia Ladden, Teaneck, N.J.; Jackie Sierra, Lakeland; Judy Ann Pereboom, Lake Worth, and Barbara Hopson, Frostproof.

Miss Hopson took the white and black mongrel home with her when Christmas vacation began Dec. 18. Her father and brother also were bitten.

A college spokesman said the animal was smuggled against school rules into the Alpha Omicron Pi sorority house, where it became a sort of mascot.

HUDSON TOPS MONEY MAKERS

HOLLYWOOD (AP)—Rock Hudson has won top place in a theater owners' poll of box-office money-makers that for the first time in 26 years includes no actresses.

Observers had no immediate explanation for the all-male aspect of the Motion Picture Herald's annual list of the 10 top box-office stars, announced yesterday. Marilyn Monroe and Kim Novak placed Nos. 8 and 9 last year.

Otherwise the poll supported a belief long held by experts: that most of today's movie-goers are teen-agers.

Hudson, born Roy Fitzgerald 32 years ago in Winnetka, Ill., made his first appearance on the list, Singers Pat Boone and Elvis Presley, who took the third and fourth places, also are first-timers.

Reliable John Wayne, who led the poll in 1950, 1951 and 1954, broke up the youngsters by taking second.

Jerry Lewis indicated he can go it alone. He and Dean Martin were No. 1 in 1952 and No. 6 last year. Theater men gave Lewis alone the No. 9 spot in 1957.

The 10 winners: Hudson, Wayne, Boone, Presley, Frank Sinatra, Gary Cooper, William Holden, James Stewart, Lewis, Yul Brynner.

SNOW, SLEET HEADING FOR PA. TONIGHT

By THE ASSOCIATED PRESS

A low pressure area moving eastward from the plains states is expected to bring snow and sleet to most of Pennsylvania tonight.

The precipitation is expected to reach the western sections of the state first and move into central sections late tonight. Low temperatures will be near 30 degrees in the western regions and in the upper 20s over central sections.

In eastern sections, cloudiness will increase tonight and rain is expected to develop Saturday. A low in the middle 30s is forecast for tonight.

Snow In Mountains
A few snow flurries wafted through the mountainous regions.

The snow and sleet is expected to change to rain tomorrow morning in central and western areas, turning back to snow briefly before ending late in the day.

High temperatures tomorrow will be in the low 50s in eastern sections, middle 40s in central regions and in the low to mid 40s over western areas.

Heavy rain fell on much of northeastern Pennsylvania yesterday where an inch and a half of rain was recorded in some areas.

In the western part of the state, rainfall was about 1/4 of an inch.

Snow flurries fell in Altoona, Bradford, Brookville, Erie and Scranton.

**Doomed Boy Loses
Appeal To Court**

PHILADELPHIA (AP)—Pennsylvania's Supreme Court yesterday refused to appoint an attorney to handle 15-year-old Isaiah (Deuce) Green's appeal of his death sentence.

But the high court left the way open for the youth to seek an attorney appointment by a lower trial court.

Green was sentenced to the electric chair for his part in the hold-up slaying of Jacob Wallfield, an aged Philadelphia druggist. The Supreme Court followed the pattern set recently when it referred Raymond P. Wilson, under life sentence for the murder of Waltham, to the lower courts. A trial court granted Wilson's request for an attorney and payment of trial printing costs.

Letter To The Editor

December 25, 1957

Dear Sir:
Though words are inadequate, please accept this short note as a sincere and heartfelt thank you for the fine publicity accorded to the Bendersville, Ottomanna and Wensville Methodist churches during the Christmas season.

Sincerely,
REV. N. L. MARDEN

December 26, 1957

Dear Sir:
In all fairness to the person who found my watch on Lincoln Square the day before Christmas and who turned it over so promptly to the police, may I call your attention to an error in The Times regarding the incident?

The name of the finder was Martha Bowmaster, not Martin, and she is a secretary in the office of Bulletin and Bulletin.

I would appreciate it if you would, at your convenience, give this correction some prominence in an issue of your paper.

Thank you for your consideration.
Very truly yours,
(MRS. J. B.) GLADYS BERRY

COURT RULES TO SAVE GIRL, 11

RICHMOND, Ind. (AP)—A conflict between religious scruples and a medical emergency was resolved and 11-year-old Judith Ann Pippin's swollen appendix was removed.

The emergency operation last night was a success.

Her father, Arthur Pippin, and friends in the Full Gospel Tabernacle prayed Christmas Eve and Christmas Night for Judy's recovery but he wouldn't permit an operation.

Dr. W. R. Taylor, Wayne County health officer, persuaded Pippin to permit a blood count yesterday and it showed Judy's appendix either had burst or was near rupturing.

Then Superior Court Judge John H. Brubaker ordered Pippin into court and said he would make the girl a ward of the county if it were shown her life was in danger. Pippin agreed to the operation after receiving the order.

"We're still sincere and believe in our religion," said Pippin, the father of 10 children, "but we also have been taught to respect and obey the law."

HARRISBURG (AP)—The new headquarters here of the Pennsylvania State Education Assn. should be ready by 1961. Kermit M. Stover, association president, said yesterday.

Stover told the association's annual meeting that the last of four properties has been acquired for the site. The building to be erected after the site is cleared will be four or five stories high.

Hillary 280 Miles From South Pole

AUCKLAND, N.Z. (AP)—The Ross Sea Committee reported today that Sir Edmund Hillary's party is 280 miles from the South Pole and may reach the U.S. station there by New Year's Day.

Committee Secretary A. S. Heim said the New Zealand explorer's five-man party covered another 40 miles during the night but had run into soft snow which made the going difficult. The night before Hillary made 56 miles.

Heim again denied that there was any idea of a race between Hillary and British members of a commonwealth transantarctic expedition which is heading for the South Pole from the opposite direction in a trek completely across Antarctica.

Firm Accused Of Misrepresentation

WASHINGTON (AP) — A Federal Trade Commission examiner ruled today that the Renaire Enterprise has been misrepresenting that householder who enter its food and home freezer purchase plan are given expert assistance in planning food buying.

A preliminary order by FTC Examiner Joseph Callaway directed the firms to halt that practice. On the other hand, Callaway dismissed various charges that Renaire had misrepresented the advantages of its plain terms of money savings and values.

The decision is not final and may be appealed or stayed on petition either of the government or the Renaire organization. Named in the complaint were the Renaire Corp. of Washington, D. C.; Renaire of South Delaware Inc.; Renaire Corp. of Wilmington; Renaire of Maryland Inc.; Renaire of New Jersey Inc.; Renaire Corp. of Delmont, Pa.; Renaire of Allentown Inc.; Renaire of Philadelphia Inc.; Renaire Corp. of Lancaster, Pa.; and Renaire of South Jersey Inc.

When he stops being cute

This is his very first New Year. He's celebrating it in his own talented fashion, just being cute. Last year thousands of boys and girls were arrested as juvenile delinquents. They had all been cute—once!

But did they have the priceless example of active Christian parents? Were they given moral and spiritual training in the Church? Did they grow up in a Christian atmosphere?

This young fellow can't be absolutely sure that the New Year is worth celebrating. His future is in the hands of his parents. But he's smiling because of his confidence in them.

During this New Year their faith in God, and the sincerity of their relationship with the Church will begin to determine just what their son is going to be when he stops being cute.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday School Lesson

By H. R. and M. C. Gold

BROTHERS THROUGH CHRIST
Key Verse: Above all these, put on love, which binds everything together in perfect harmony. Colossians 3:14.

One of the finest letters by Paul on Christian love and forbearance is the Book of Colossians — another epistle written during his imprisonment at Ephesus. In it Paul deals very delicately and wisely with one of the great social problems of all time — slavery. He writes to one of the prominent members, Philemon, in behalf of one of his runaway slaves by the name of Onesimus. In fact, it is this very slave who was one of the bearers of this letter to the Colossians.

Philemon was a Christian and a wealthy slave owner whose influence with the members of his congregation was great. Paul had reason to believe that this personal note would have the desired effect and also serve as a fine example of Christian love and forgiveness. Onesimus had stolen some property of his master and ran away to Ephesus, the nearest large city. There, by chance, he met Paul and was converted to Christianity. Paul persuaded Onesimus to return to Philemon and make amends for his theft and gave him this letter to protect him from his master's anger and punishment. According to Roman law, a slave-owner had the power to mete out severe punishment.

Plea To Philemon
Paul made a plea to Philemon to reinstate Onesimus and be reconciled with him, not as his employer but as a fellow Christian. Paul's decision to make this appeal was well-considered for he knew that many other Christians would have similar situations with other runaway slaves. This is why he addressed the letter to the whole congregation which met in Philemon's house.

At the beginning of the letter Paul speaks to Philemon as "our beloved fellow worker" and of his love and faith toward Jesus Christ and all the saints. He tells him how his leadership in the congregation has contributed to its spiritual growth. This introduction permitted Paul to say that he was a prisoner because of his faith, and felt that he could ask Philemon to receive his ex-slave as a companion in Christ. As Philemon's former teacher and counselor, he asks this favor. "I appeal to you for my child, Onesimus, whose father I have become in my imprisonment." Onesimus means "useful" so Paul added, "Formerly he was useless to you but now he is indeed useful to you and to me."

"Really A Sacrifice"
It was really a sacrifice for Paul to lose Onesimus as he had become very dear to him and served him faithfully. The spiritual bond between Apostle and slave was great. Again the case of Onesimus became an opportunity to show the whole Christian church that the bonds of Christian love are stronger than man-made laws.

Paul was extremely cautious not to criticize slavery as practiced by the Romans for the whole economy of the Empire was based on slave labor. To arouse the slaves or cause rebellion would have only jeopardized the new religion and antagonized Roman officials. So Paul's approach was wise, for it also protected the Christians who were slaves. Paul attacked the problem on a personal basis of Christian love, hoping that a pattern would be set. This same approach could and should be used in race segregation. A non-violent resistance is often more effective and enduring than any violent outburst or rebellion.

Christ died to save all sinners, masters or slaves. He loves all men equally well and wants them to live together in love and harmony. Wise and experienced pastors have used the same methods as Paul and been successful in reconciling members. If the spirit of Christ prevails among individual members of any church group, the whole congregation will soon be filled with the same loving, forgiving spirit.

BLONDIE

LIFE IN PRISON DECREED FOR L. EWING SCOTT

LOS ANGELES (AP)—The rest of his life in prison, instead of death in the state's gas chamber, has been decreed for L. Ewing Scott.

The penalty verdict was returned last night by the same jury which convicted him last Saturday of murdering his wealthy wife Evelyn, 63. She disappeared from their fashionable Bel-Air home 2½ years ago and has not been seen since.

The 61-year-old former stockbroker took the verdict calmly.

Scott Is Pleaded

At the words "imprisonment for life," he pursed his lips and raised his hand to smother a cough.

"Mr. Scott is pleased, obviously," his chief defense counsel, P. Basil Lambros, said later. "He said nothing except, 'I want to see you tomorrow morning so that we can go to work on the motion for a new trial.'"

The motion was made by Lambros when Superior Judge Clement D. Nye set Jan. 14 for the formality of pronouncing sentence. The motion can be argued then or within 10 days thereafter.

First Use Of Procedure

This was the first use in Los Angeles County of a new California court procedure in death-penalty cases. The jury determines guilt and punishment at separate proceedings.

Scott was convicted solely on circumstantial evidence since no trace of his wife has been found. He fled to Canada nearly a year after her disappearance, and was arrested last April at the Canadian border near Detroit.

Avocado halves, served in their shells, are wonderfully good sprinkled with salt, freshly-ground pepper and lime juice. Nice for a first course for a company dinner.

James MARLOW Reports

The Associated Press

WASHINGTON (AP)—Pat, happy and half asleep.

That's the essential picture of America in 1957 which emerged from the testimony of witness after witness before the Senate committee investigating why this country fell behind Russia in the military weapons of the future.

So 1958 will be a kind of gymnasium for us to get back in shape.

Bigger Cars

How to do it—how to drive a democracy into outstripping a dictatorship by some sacrifices without relinquishing some liberties—is the problem facing Congress next year. This year we went in for bigger cars that burned more gas that cost more money. We bought fancier homes and appliances and better clothes. We put more money in the bank. We longed for a tax cut. We were well fed and content.

We slowed down missile-making to save on overtime. We went less than all-out on satellites and missiles, forgetting the effect the Russians' missiles and Sputniks would have on the rest of the world if they got their earth-circlers aloft first.

Sacrificed Generations

The Kremlin could do as it pleased. It could, as it did in the past, sacrifice generations to win the future. It could tell the Russian people what they could and couldn't have.

And it did. It left them on a living scale far below ours while it pumped its brains and resources into weapons which, unless we woke up, would leave us at their mercy someday.

It isn't the first time something like this happened to us. It happened in the 1930s—although we were struggling out of a depression then—when Hitler was arming and

TWO MORE FIRE VICTIMS PERISH

WEEHAWKEN, N.J. (AP)—Two grandchildren of a heroic woman who perished in a tenement fire yesterday also became its victims.

The body of Mrs. Margaret Doyle, 45, was found in her third-floor apartment after she had insisted that other members of her family go ahead of her down a fire ladder.

Her grandchildren, Marjorie Lucas, 8, and Katherine Galan, 6, both of Edgewater, got out, but later died in a hospital of burns they suffered.

Mrs. Doyle's husband Joseph, 61, who is asthmatic, survived but was hospitalized. Doyle was in fair condition.

Five others were injured, including Union City Patrolman Frank Di Nanno, 34, and fireman Charles Miller, who rushed up the ladder to rescue the Doyles. Di Nanno broke both knee caps.

Origin of the fire was undetermined. The upper two floors of the four-story house were burned.

GUATEMALA TO HOLD ELECTION JANUARY 19TH

GUATEMALA (AP)—Guatemala makes another try at regaining political stability in elections Jan. 18, but a split between the moderates and the Conservatives may open the back door to an active leftist party.

Many observers expect violence no matter what the vote count shows.

Once communism's beachhead in Central America, this strategically located republic has been in political ferment since the assassination last July of President Carlos Castillo Armas, who kicked out the Communists in a 1954 coup.

Kept Off Ballot

The country was ruled by the Castillo government until the Oct. 10 elections, in which leftists were kept off the ballot. The government party, the Nationalist Democratic Movement (MDN), then claimed an overwhelming victory for moderate Miguel Ortiz Passa, rell.

But his Conservative opponent, Gen. Miguel Ydigoras Fuentes, claimed fraud. Riots brought a military junta to power briefly and forced Congress to nullify the election. Former Vice President Guillermo Flores Avendano is now provisional president.

Now Guatemala will try again to elect a president. Ydigoras again is on the ballot representing the Conservative interests. The MDN has put up Lt. Col. Jose Luis Cruz Salazar, former ambassador to Washington.

Lone Wolf Candidate

Col. J. E. Ardon, former manager of the national lottery, is running as a lone wolf with negligible backing. But this political unknown may siphon off even more anti-Communist votes from any united front.

There is no candidate with government backing, which often counts heavily in Latin-American elections.

Facing this split in the anti-Communist ranks is Mario Mendez Montenegro of the Leftist Revolutionary party.

Observers doubt that any of the major candidates can gain the necessary majority. This would leave Congress a choice between the two front-runners.

During the campaigning more than a dozen figures of the Communist-tainted regime of President Ydigoras were killed.

Isolation Gone

We sat by then, unarmed and unarming, hiding behind the mirage of isolation, hoping that if we didn't look he might go away. We were lucky then. On our side we had time and distance.

When he did strike we had—between us and him—an Atlantic Ocean and friends in Europe who took his blows to give us time to come to our senses and build up enough strength to strangle him.

But our isolation is gone. Russian missiles soon should be able to span the ocean in minutes. If the new kind of war comes we'll either be ready or have to be ready to die. We don't know how much time we have to get ready.

DR. SALK WRITES ABOUT CANCER

NEW YORK (AP)—Dr. Jonas Salk, polio vaccine discoverer, has disclosed laboratory tests with antibodies which may open a new line of research against cancer.

Writing in the journal Science, Salk told yesterday of his work with an antibody manufacturing serum. Such serums also have been developed by other cancer researchers, but Salk said that in his serum the antibodies (disease fighters) were potent in test tubes simultaneously against both normal and cancerous tissues. It has not yet been established whether there is a common antibody to all types of cancer.

Salk has been testing laboratory animals with a serum made from monkey heart cells in a quest for a better tissue with which to cultivate polio virus for vaccine purposes.

Concerning the new serum, however, Salk said: "It is apparent that a considerable further study is required before any conclusions can be drawn."

Stassen Persists In His Candidacy

PAX, W., Va. (AP)—Despite the coolness of Pennsylvania Republican leaders to his first overtures, Harold E. Stassen has reiterated his interest in seeking that state's GOP gubernatorial nomination next year.

Stassen, visiting relatives here, told a reporter yesterday he still is seriously considering making an attempt to win the nomination. The former three-time governor of Minnesota is disinterested advisor to President Eisenhower.

Stassen found little support among top Republican leaders after he announced his gubernatorial ambitions in letters three weeks ago to GOP chairmen in each of Pennsylvania's 67 counties.

SCREWBALLS MAY BE BEST FOR MOON TRIP

By ALTON L. BLAKESLEE
AP Science Reporter

INDIANAPOLIS (AP)—A scientist said today that semi-screwballs might make the best crewmen for space ships.

Or perhaps Eskimos, or calm Buddhist monks.

The reason is that spacemen will face very tough psychological ordeals on long trips, and will need training of particular mind-sets to do it, said Donald M. Michael, Ph.D., Stamford, Conn.

Not Easy Adventure

Space exploring won't be all a delightful easy adventure, he told the American Assn. for the Advancement of Science.

It could mean living for months in cramped quarters . . . so cramped that in human reactions a close buddy becomes insufferable . . . long boredom . . . danger of meteors puncturing the ship . . . few if any games or recreation . . . silence . . . little stimulation of the ordinary human senses.

Dr. Michael, senior research associate of Dunlap and Associates, Inc., said volunteers "will necessarily be personality deviants" because so-called normal people wouldn't take such risks.

But this might not necessarily be so bad because the "normal" people might not be able to put up with the psychological problems, he continued.

Schizophrenics or hermits might meet one condition—they don't depend on others for psychological support. But they might not feel enough social obligation to do their jobs.

Eskimos or Buddhist monks might make good crewmen, since they aren't so concerned with time and are more sedentary, Dr. Michael said.

Some psychological problems might be solved by mixing the sexes, but this "might also add new but not unique problems."
